Our role is to provide a range of services and information which encourages and enhances the provision of patient care, research, education and management undertaken by staff of Queensland Health

Data for this service has been identified by:
QEII Hospital Library
Metro South Hospital Health Service

Contact your closest Queensland Health Library for information on accessing any articles listed in this service.

Library Catalogue: http://qhlibraries.slq.qld.gov.au

Citations listed have been generated as an update from the Cinahl and Medline databases. The citations in this document should NOT be considered an exhaustive set of information on Falls Prevention. Queensland Health clinicians are reminded to utilise the Clinicians Knowledge Network https://www.ckn.org.au for more information available in the area.

This service provides links to article.
